Fighting Genocide Ideology

Fighting Genocide Ideology

Re: Invitation Letter

Over a period of 100 days in April 1994, more than a million of Rwandans were innocently slaughtered during the Genocide against Tutsis.

This year marks the 24th year since that sad human tragedy. You are kindly invited to commemorate the lives that were lost and to show solidarity for the survivors. Members and friends of the Rwandan Diaspora of Australia as well as a special guest- the High Commissioner **H.E Guillaume Kavaruganda** for the Republic of Rwanda in Australia will share in their journeys of resilience and courage.

The event will be held on the 7th April 2018 at the following address:

Address: 2 Wineglass Drive, Hillcrest QLD 4118

Date : 7th April 2018.

Hours : From 3: 00 pm – 6 :00 pm.

Please RSVP by Friday 23/03/2018 to info@myrda.com.au or please contact **Emmanuel** on **0432154604**. Your attendance, support and donating to the Rwandan Diaspora of Australia will be much appreciated.
